

COMPLETE MARATHON STOCKLIST

MARATHON SPECIAL PRODUCTS

TERMINAL BLOCKS, FUSE HOLDERS AND
POWER BLOCKS

ABOUT GLOBAL SUPPLY SERVICES

Part of the world-renowned Cyclops Group, Global Supply Services (formerly Unit Eight Components) is one of Europe's leading providers of supply chain management, procurement and distribution services.

With a long-standing history in the electronics sector, Global Supply Services works closely with OEMs to leverage additional cost-savings and efficiencies from their supply chain, with a special focus on electronic, electrical and electromechanical parts and accessories.

Global Supply Services became a trusted franchise distributor of Marathon Special Products in 2014.

ABOUT MARATHON SPECIAL PRODUCTS

Based in Bowling Green, Ohio, Marathon Special Products has been manufacturing various terminal blocks for industrial sectors since its formation in the 1930s.

The firm, part of the Regal Beloit Corporation, specialises in providing components that aid interconnection and help protect the circuitry of electronic and electrical systems.
